## SUMMARY

I am a highly motivated and skilled Front-End Web Developer with a proven track record of effectively collaborating within teams to achieve notable accomplishments and completing projects. With a passion for creating engaging and dynamic web experiences, I am excited to bring my experience and enthusiasm to new opportunities in the field. Throughout my career, I have demonstrated expertise in HTML, CSS, JavaScript, and Bootstrap, crafting visually appealing and responsive websites. I have leveraged my skills to contribute to various projects.

## PROFESSIONAL EXPERIENCE

### Road to Code | Front End Developer Intern

Dec 2022 – Jun 2023

- Developed visually appealing and responsive user interfaces using HTML, CSS, and JavaScript, ensuring compatibility across different browsers and devices.
- Collaborated with designers and back-end developers to implement and integrate front-end components into the overall web application or website.
- Optimized web pages for performance and speed, implementing best practices for efficient loading and rendering of content.

## EDUCATION

### Priyadarshini J.L. College of Engineering | Bachelor of Engineering

Jun 2022

Civil Engineering | CGPA – 8.88 (86%)

### Dr. Ambedkar College, Nagpur | Higher Secondary School Education

Jun 2018
